### It's Turtle Time Along The Forgotten Coast

May 1 marks the beginning of sea turtle nesting season on St. George Island and other beaches throughout Franklin County and Florida. The turtles will lay their eggs from May – September, with 50-150 baby turtles hatching after 45-60 days, usually at night. One female may nest several times in a season.

May also heralds the season when local volunteer turtlers begin walking the beach in order to find, mark and protect turtle nests. When homeowners and visitors are educated about measures they can help nesting sea turtles such as turning off lights and clearing the beach of gear. Visitors interested in learning about sea turtle nesting can visit the St. George Island Visitor's Center (at the St. George Island Lighthouse Park) to pick up turtle information. Click here to learn more about our turtles and how you can help protect them.

Please note that Franklin County has a Leave No Trace Ordinance that requires chairs, umbrellas and equipment to be removed nightly from the public beaches in order to help mama turtles more easily navigate the beaches to nest and allow hatchlings a clear path back to the water from their nests in the dunes. And, if you dig a hole on the beach during the day, fill it in!

### Apalachicola Home & Garden Tour May 6

<u>Apalachicola's annual Home and Garden Tour</u> is scheduled for May 6 and will feature a variety of homes ranging from century-old houses to charming bungalows and contemporary homes. Homes will be open only on Saturday, May 6 from 10 am - 4 pm.

### If This House Could Talk Home Tour May 6-20

What if the houses in Apalachicola could talk? What stories would they tell? The Apalachicola Area Historical Society invites you to come find out, by viewing storyboards posted in front homes and businesses. The storyboards, created by property owners, give historical facts and stories of past residents and neighborhood events. <u>Details.</u>

Camp Gordon Johnston Presents Invasion of Sicily Exhibit May 2 to June 3

Camp Gordon Johnston WWII Museum in Carrabelle will present a special exhibit on Operation Husky, the invasion of Sicily from Tuesday, May 2 through Saturday, June 3.

Operation Husky was the invasion of Sicily in 1943, planned by the Allies in North Africa as they swept the Germans and Italians from that continent and prepared to move on Italy. This operation involved a set of top secret diversions, including fake units and communications and the famous ruse by British Intelligence known as Operation Mincemeat, which convinced the Germans that Sicily was not the intended landing after North Africa.

The Museum will reference a set of top secret plans that were printed just 20 days before the commencement of the operation, which involved amphibious landing of infantry and armor as well as parachute operations by the 82nd Airborne. It is also a secret as to why the museum holds this set of plans! <u>Learn more here.</u>

## Carrabelle History Museum

Established in 2008

April 28, 2023

FROM: Tamara Allen, Director

**RE: CHM Application for Infrastructure Grant** 

The Carrabelle History Museum wishes to apply for a \$25,000 infrastructure grant from the Franklin County Tourist Development Council. In the spring of 2022, the City of Carrabelle applied for a Special Category in the amount of \$50,000 to install a wheelchair lift to the Justiss Building (Old City Hall) which houses the Carrabelle History Museum. The costs were the current cost at that time. The grant was funded by the State Division of Historical Preservation for the period of 7-1-2022 to 6-30-2024.

During the interim, the cost of the elevator went from \$48,300 to \$53,250. It was also determined by the County Building Inspector that the platform on the stair landing of the building needed to be expanded by a 10' addition to current structure at a cost of \$14,900 which will require engineering service. Since Mowrey Elevator of Marianna, FL is the only company in the panhandle that sells this lift and provides service, we believe this constitutes a sole source acquisition.

The entire \$25,000 would be applied to the addition/unexpected funds requested to complete the elevator project for the Marvin Justiss Building (Old City Hall) which has housed the Carrabelle History Museum since 2007. These funds would also bring the museum into compliance with the Americans with Disabilities Act.

Thank you so much for any consideration.

Sincerely,

Tamara Allen

Members of the Franklin County Tourist Development Council,

The City of Carrabelle is requesting that the TDC assist the City in the funding of a covered sign for the Marine Street Boat Ramp which would include TDC logo and acknowledgement of funding. This 4x8 signage would include information on where to park, launching, and other important information. The cost of the signage would not exceed \$550.00

Thank you all so much for consideration of this request and we appreciate any assistance that you can provide.

Regards,

Courtney Dempsey
